

# Tallahassee 25 Attention New Members!

Welcome to the Tallahassee 25, a truly refreshing approach to community volunteerism. We are one of the largest local non profits in the Tallahassee area, and have managed to survive with no paid staff, or offices. It is truly up to you to get involved, and the T25 will be what you make of it. The Officers and Board members are here to help, and will try hard to give you that extra push. Call the following Officers with any questions.

Officers	Title	Work	Home
